Holly Nichols-

I regret to inform you that I will be unable to present my paper on "The Influence of Lesbian Lay Educators in the area of Lesbian Health: Using a Breast and Cervical Cancer Model" at the 3rd Annual Symposium on LGBT Issues because the appropriate funding was not approved for my trip and I am unable to cover the expenses on a student income. I am honored that I was chosen amongst/along with the many other distinguished scholars and activists in my field. Conferences such as these are an amazing opportunity for community growth, networking, and community education, I just regret that I am unable to be a part of these events. I wish you luck in the preparation of such an event. And I congratulate you and your staff on your amazing efforts and your commitment to LGBT issues and the LGBT and Queer communities.

thank you-
